

# Keep your Adventurous Spirits High Holiday in India!

By Kirthy Shetty

Enhance your adventurous spirits, with the cascading rivers, mountains and hills, water falls and much more to visit. Paragliding , water rafting , trekking to mountaineering, India has it all. Hills, mountains and rivers, lonely islands, unending green terrace, golden sandy zones, deserts and plateaus makes possible myriads of adventures activities on its water place and hills. Indian quay side and beaches have caught million of adventurous tourists fancy and there are myriads of options for the non adventurous ones too. Right from the churches to temples, monuments portraying the rich cultural heritage and sculptures narrating the history of the country, not to miss out the pomp and splendor of the Cities like Kolkatta and Mysore during the Durga festival and Dussehra..The beautiful palace of mysore lit out is a spectacle in itself. If you get to go during these festive season, dont forget to see the Mysore palace and the cities near by. This is a great place to find traditional handicrafts that you can take home as souvenirs or gifts.

When you are on your adventurous trip, dont forget the safety kits and your head gears with you. Indulge in a volley of water activity such as Water Scooters, Canoeing, Speed Boats, Scuba Dive, Kayaking Swimming, Deep Sea Fishing and not to forget your favourite Beach Volleyball. With rivers and seas, you can spot out little dolphins and aquatic animals. If all of these catches your attention, dont miss out any opportunity, visit India.

If you wish to book tickets immediately, you can do so with online adventurous trips. The most convenient way with lot of options to choose from is online booking. Read on different travel destinations and choose them as per your interest and convenience. You must be with friends, if you are on an adventurous tour. If water rafting, scuba diving, kayaking, canoeing catches your fancy then, it is better you are with friends. If you are a sea food eater, then Goa, Mangalore and Kerala is the best place for you.

If you are unable to plan out things in advance, make use of a guide to help you out. The best thing would be to always plan out a month ahead. You can always carry out last minute changes. Travel agents will recommend a host of adventurous sports and water activities packages that are budget friendly too. Keeping in mind your destination and budget, there are most suitable packages recommended for you.
